

What is the Board of the Trustees?

The Board of Trustees is comprised of dedicated volunteers interested in deepening their engagement with St. Patrick Center. Our purpose is to support the mission of St. Patrick Center, by providing a consistent and reliable source of support through the active involvement of its membership in the following three areas:

- Leadership -- planning and staffing fundraisers and other programs
- Giving -- contributing financially
- Advocacy -- promoting the agency and its mission in the community

Members on the Board of Trustees commit to being leaders, sponsors and ambassadors in a variety of ways: chairing or serving on event-planning committees, staffing and attending fundraising events, direct contribution and educating the community.

The Board of Trustees meets four times a year in September, November, February and May. The Board is led by a chairperson and co-chairperson.
