## VETERANS DAY 5K RUN/WALK

For more than 35 years, St. Patrick Center (SPC) has provided housing and wrap-around supportive services to veterans experiencing homelessness. The Veterans Day 5K Run/Walk presented by Keeley Companies greatly enhances St. Patrick Center’s ability to assist 1,100 veterans annually, or 20% of our client population. Last year, we connected 102 veterans with jobs, placed 171 veterans and their families in permanent housing and helped increase the income of 175 veterans through employment and benefits services. By helping people improve their lives, we also enhance the neighborhoods where we work and live. Every dollar raised by the Veterans Day 5K stays in the St. Louis community.

Last year, more than 1,000 participants and 100 volunteers attended the Veterans Day 5K. Join us on November 9 and be a part of a fun-filled event to raise awareness and support for veterans and their families who are homeless or at risk.
