

We end homelessness.

Our clients need us.

St. Patrick Center provides **permanent housing** and **support services** through Housing First programs.

Assisting people experiencing homelessness requires **more than housing**.

Support services include case management, employment and behavioral health, and vary depending on client/family needs.

To help the people who come to us, St. Patrick Center has a **great need for resources** from donors and funders.

We need YOU.

What your donation could do:

\$150 = feed a household for a week

\$300 = prevent a client/family from being evicted

\$375 = household move-in kit

\$750 = apartment security deposit and moving expenses

\$1,000 = one month of permanent housing and case management
